Career Objective

To utilize my technical skills for achieving the target and developing the best performance in the organization. I would like to implement my ideas, skills and creativity for accomplishing the projects.

Academic Details

Year	Degree	Institute	Percentage/CGPA
2015-Present	B.E. in Computer Science and Engineering	Walchand Institute of Technology Solapur(Maharashtra)	CGPA = 8.47/10
2014	Class XII ISC-CISCE	St. Charles School Shivpuri(M.P.)	75.2%
2012	Class X ICSE-CISCE	St. Charles School Shivpuri(M.P.)	73.7%

Technological Skills

- **Operating Systems:** Linux and Windows.
- **Programming Languages:** Proficient in Python, Java; Experienced with C.
- **Frameworks:** Django.
- **Mobile Development:** Android.
- **Databases:** MySQL, SQLite.
- **Software's:** PyCharm, Atom, Android Studio, Postman, Visual Studio, TurboC3, MS-Office (Word, PowerPoint, Excel), Eclipse and Adobe Photoshop.

Major Projects

- **Signal Android App:**
Summer Internship at Novosalus Technologies Pvt. Ltd. (May 2018 – July 2018)
Description: A Virtual Assistant for Adverse Event Reporting.
Languages: Java.
Database: MySQL.
Tools: Android Studio, Postman.
- **An IOT based solution to monitor smart street lights using an android app (Major-Project):**
Description: Intensity of LEDs can be controlled during non-peak hours. Data about power consumption will be sent to personal server and can be monitored using an android app.
Languages: Embedded C, Python, Java.
Tools: Arduino, Android Studio, Atom.
Database: SQLite
Framework: Django

Other Projects

- **RBI Grade B Exam:**

Description: An Android app for RBI Grade B exam preparation. Contains all the content needed for the exam preparation.

Languages and Tools Used: Android Studio, Java.

Database: MySQL.

- **Smart Street Light (Mini Project):**

Description: An IOT based solution that will automatically switch on/off the street lights based on surrounding lights and keep track of which lights are working and how much electricity they are consuming.

Languages and Tools Used: Arduino, Embedded C, ThingSpeak Cloud.

Certificates/Workshops

- Attended Google Applied CS Skills workshop for Android held at Wit Solapur. March 2018 – April 2018.
- NPTEL Certificate for Design and Analysis of Algorithms issued by IIT Kharagpur. July 2017 – Sep 2017.
